Setting: Miss Meyer's super-hero second grade class is having all the dads visit the classroom to celebrate Father's Day.

Miss Meyer: Alright students, are we ready for our Father's Day celebration? Who would like to introduce their father first?

Jimmy: Me! Me! I'll go first Miss Meyer! Please!!

Miss Meyer: Alright Jimmy, you may come to the front and introduce your father to the class.

Jimmy: Class this is my father. His name is Glacto-guy. He can fly higher than any plane or rocket ship ever made!

Galacto Guy: Now Jimmy we don't want to brag.

A Fathers' Day Skit

- Jimmy: Nah, it's ok, you're the coolest Dad ever. Show them how you can fly.
- Galacto Guy: Alright kids, don't try this at home. (*Galacto Guy demonstrates his flying abilities.*)
- Galacto Guy: You see kids, flying is very hard, but it's also fun when you know what you're doing. One time I had to fly from Los Angeles to New York just so I could make a business meeting.
- Jimmy: I'm gonna be just like my dad someday.
- Miss Meyer: Thank you Jimmy and Mr. Galatco Guy. Who would like to go next?
- Susie: I'll go next, Miss Meyer.
- Miss M: Ok Susie.
- Susie: Class, this is my dad Muscle Man. He can lift anything, even my 300 pound pig! Tell them how you saved all those people that one time dad.
- Muscle Man: Well kids, one time I was walking down the street and I saw a crazy driver coming down the street headed straight for a parade. So right as he passed me I grabbed his rear bumper and lifted the car up in the air. No one was hurt.
- Susie: See, my dad is the strongest dad ever.
- Miss Meyer: Well thank you Susie and Mr. Muscle Man. Mikayla, would you like to go next?
- Mikayla: Ok. This is my dad, The Bolt. He can go from zero to sixty in 2.5 seconds. He can outrun anyone.

A Fathers' Day Skit

Bolt: I do hold the world record for fastest runner. I've even had to race a cheetah to a rural African village to protect the villagers.

Mikayla: He beat the cheetah too. My dad is the fastest dad ever.

Miss Meyer: Thank you Mikayla and Mr. Bolt. Isabella, are you ready to go?

Isabella: Yes Miss Meyer. Class this is my dad Windy Hombre. Tell them what you can do Dad.

Windy Hombre: I can create strong gusts of winds just by blowing air. One time I was having a terrible sneezing fit and accidentally blew out a tornado! It was ok though, it only lasted about 10 seconds.

Isabella: Show them how you do it Dad.

Windy Hombre: Alright hold on to yours hats kids. *(Windy hombre takes a deep breath and blows out. All Actors on stage loose their hats.)*

Isabella: See? My dad is the gustyist dad ever.

Miss Meyer: Thank you Isabella and Mr. Windy Hombre. Any volunteers to go next?

Branden: We can go Miss Meyer!

Bobby: This is our Dad Mr. Hot Head.

Branden: He can change the temperature-

Bobby: And he change blow lava or snow out of his head.

Hot Head: They're right kids. I can shoot blasts of lava or snow out of my head and I can also alter the temperature. It really comes in handy when it's super hot or super cold outside. I've also

stopped an avalanche but melting it with lava and stopped a lava river with several blasts of snow.

Branden: He also makes big snow mountains in our back yard for us to sled down.

Bobby: Our dad is the most torrent dad ever.

Miss Meyer: Thank you Branden, Bobby and Mr. Hot Head. We have time for one more student, who would like to go next?

Elizabeth: I'll go Miss Meyer.

Miss Meyer: Ok Elizabeth, come on up to the front of the room.

Elizabeth: *(Holding Bible.)* My Father created the universe, the Earth, people and even you and me.

Jimmy: Whoa, that's really cool.

Elizabeth: Yep, he gave up his own Son so he could forgive everyone's sins.

Susie: Really?

Elizabeth: Uh-huh.

Mikayla: So where is he?

Elizabeth: He's right here.

Isabella: So how come we can't see him?

Elizabeth: Well, he's God the Father and he has a really busy job. He has to be everywhere at once so he can take care of everyone on Earth.

Branden: No way!

Bobby: No one can do that.

A Fathers' Day Skit

- Miss Meyer:* You're right Bobby, no one person can do that. But God the Father can.
- Galacto Guy:* She's right kids, God the Father always takes care of us.
- Miss Meyer:* And he loves us no matter what we do.
- Bolt:* And he's always there to listen to us when we pray to him.
- Windy Hombre:* He helps us through the tough times and guides us through life.
- Hot Head:* He's what earthly fathers like us try to model ourselves after.
- Miss Meyer:* You see students it says in Psalm 52:8 "I trust in God's unfailing love for ever and ever." We need to remember to also thank God our Father each Father's Day, just as we thank our earthly fathers.
- Everyone:* *(to audience)* Happy Father's Day!!!
